THE EWALD FOUNDATION DIGITAL PHOTO COMPETITION

Call For Entries For 2019 Contests

Your school or community arts group is invited to participate in a new annual Ewald Art Contest. The works of students in San Francisco public schools kindergarten through fifth grade are eligible. In keeping up with the times this new competition is accepting digital photographs of an "inspirational" nature deemed by teachers to be worthy of attention and award. These submissions will first be prejudged together and then, from these final submissions, three winners and one honorable mentions selected at the same time as the literary and other visual art awards.

ACCEPTABLE FORMATS: JPGS, TIFFS, PDF

The first place, second place, and third place winners of the Photo & Video Competition will receive a CHROMEBOOK. Teachers of winning students and the principals of winning schools will receive an AMAZON gift certificate. (One only per teacher.) The winners will be featured in the Ewald Awards Magazine and also on the Ewald Foundation Website.

All entries must be original. Plagiarized work will be disqualified. Because of the number of entries, works cannot be critiqued or returned. All entries become the property of the Ewald Foundation. By participating in the contest, applicants and their parents or guardians grant the Ewald Foundation the right to publish all or part of any entry without compensation.

SUBMISSIONS:

For this category the submissions should be electronic.

Please create a google folder with student entries and share with Catherine Burke at burkec@sfusd.edu.

Please email Catherine Burke at burkec@sfusd.edu with any questions or if you would like to upload directly to the EWALD google folder.

FINAL DATE FOR PHOTOGRAPHY ENTRIES March 15, 2019
